EDUCATION

B.A. in Film and Electronic Arts, Cinematography - California State University, Long Beach

- Minor: Entrepreneurship

SKILLS

My skill set includes photography, videography, directing, editing and graphic design. I have experience performing under strict deadlines in a fast paced environment. I am comfortable working with Adobe Creative Suite products, Final Cut Pro/X, Avid Media Composer, and Microsoft Office Suite. My experience includes working on professional productions with an array of industry standard equipment.

My work ethic incorporates attention to detail, dependability and effective communication. I am passionate about creating visual media, which allows me to bring a client's vision to life. In pursuit of my own creative vision, I plan to always grow and evolve as an artist.
